**“To hear a Witness is to be a Witness.”**

**“A Prayer for the Children”**

We pray for children who like to be carried  
and for those who had to be carried,  
For those who gave up and those who did not give up.  
For those who grab the hand of those kind enough to offer it,  
and for those who found no hand to grab.  
For all these precious children, O G-d, we remember and we pray.
